It is to be supposed that, as an impartial confirm the conclusions arrived at by the in the field. cajority of the late General Assembly of he interests of the Republican party. As exclusive control of Mr. Reed. ong as they can scenre the thousands of ilegitimate votes cast by negroes, there is no

The Republican papers are quoting rom Democratic papers printed several cars ago, and comparing the extracts with ricles in the same papers published now. They claim to find slight discrepancies.—
likely. But would it not be refreshing to heir readers if they would give some expectations are there are pounds of sugar to each quart of the syrup let it boil fifteen or twenty makes from their own papers, published several years ago. Such places and to it a half a gill of fourth proof brandy for each quart of syrup, sit it ral years ago! Such labor would not probthly be pleasant, but then it would be intersting to the people. The comparisons to an adult, is a dose. which we refer at the commencement of this paragraph are not only odious, but they are I. N. & W. M. GREEN, simply foolieb, when instituted against those who acknowledge proper progressive pro- WHOLESALE AND RETAIL divities. The man who would have recomnended, forty years ago, that Dayton be subdivided into five school districts, and that smple school houses be erected therein, would have been looked upon as a visionary, f not a lunatic. To-day he would be held plete perfectly same if he proposed still another listrict, and the srection of two or more school houses for the accommodation of scores of children who cannot be accommo. lated with educational facilities in the five sources already erected. Progression in the 1000 lbs. Codfish. right direction is commendable, and the 25 Chests and Caddies fine Tear, imes demands it. A change of policy does not necessarily impose a violation of principle; and the Democracy, in their coward and the Democracy, in their coward warch, pursue the former where it is demanded, while they occupulously avoid the Lowest Coward warch, pursue the former where it is demanded, while they occupulously avoid the Lowest Coward C manded, while they coropulously avoid the lowest.

Lowest loy alone is the principle which governs or to Williams & Wallace, Devington, Chic.

State Pare Irona Rubries may be made by mail as well as purson, at my office, in the Agricultural ats Rooms, until the 5th of September, af-

ter Which time the office will be removed to Those desiring premium lists can have them armished, free of charge, upon appli-cation by letter or otherwise, as the Agricul-

tural rooms.

Persons making entries by mail or otherreverse making entries by mail or otherwise, should be careful to state very distinctly their postoffice address in full—that is, the name of the postoffice as well as the county, because in medals, diplomas, or deafts for premiums, much inconvenience is experienced for want of the proper postoffice address.

It is expecially decirable that every orbits.

fice address.

It is especially desirable that every exhibitor be fully determined in which department and under what head he intends to compate, before application for competition is made. Those who do not result thus by mail, usey avoid much inconvenience and trouble by having a list of their animals or articles made out in writing, and arranged under the proper heads, which they may hand to the clerk when making the surry. Entrys must contain not only the exhibitor's name, his postofice address, county and State written as legibly as possible, but also

FOR CITY PROPERTY, a pair of vary fine Mules, and the Trailing these "Merrington." CITABLES E. CLARKE, myll Clegg's Building, 3d street.

By Heading Matter on Every Page. In State written as legibly as possible, but also the age, name and sex of the animal, offered for exhibition, as well as the class in which it is intensed to compets.
